Dear Mr. Patterson,

Thanks for your kind words.

Please note our new address.

Enclosed are order forms for the still existing other works.

Oswald in New Orleans is out of print. I have to ask $21.00 for the few copies I have. It costs me that much to replace each by xerox.

I have completed Post Mortem but can't pay for printing it and there is no commercial interest.

Nor can I risk going further into debt to do another private printing.

However, I am continuing my work in all the ways possible. This includes by suing for suppressed evidence. One case is about to be filed with the Supreme Court and another is just beginning in district court.

Sincerely,

Harold Weisberg
